

# Through A Window

Had a vision  
To-day.  
I am going  
A-way.  
Coming back?  
Cannot say.  
If I dream  
Through the day  
I am thinking  
Of you

See glimmers  
Of light  
A mission  
So right  
Take me high  
Through the sky  
I look down  
See the night  
Feel the magic  
Of flight.

I've traveled  
Through space  
To a distant  
New place  
What I bring  
Will remain  
I will leave  
As I came  
Through a window  
Of time.
